O R D E R:

This writ petition is filed seeking a mandamus to declare the action of the respondents in not laying cement road over the path-way situated in R.S.No.411/4, at 2nd Block, A.Vemavaram near the houses of the members of the petitioner-society in spite of sanction of funds by the Central Government, as arbitrary and illegal.

According to the petitioner, the petitioner is a society and in spite of its representation and sanction of funds by the Central Government, no cement road is laid over the path-way situated in R.S.No.411/4, at 2nd Block, A.Vemavaram near the houses of the members of the petitioner-society. In the affidavit it is also stated that the amounts granted by the Central Government for the purpose of laying cement road are to be availed before February 1999, otherwise, the funds get lapsed.

In the light of the averments made in the affidavit filed in support of the writ petition, this Court is of the view that the funds granted by the Central Government must have got lapsed by now, and hence, no direction can be given to the respondents at this length of time.

Hence, I see no merits in this writ petition and the same is accordingly dismissed. No costs.
